Yes, I'll be open until 10:30 am eastern tomorrow (Tues), so 9 am is fine for a call.

I'll get back to you on the NJDEP address.

Hi Alice,

Do you have a few minutes tomorrow a.m. for a short call? I can call you at 9 a.m. eastern if convenient. I am generally open all morning if easier though.

Also, one item I lack is the copy address for the State of New Jersey per Paragraph 7.1 of the SOW. Would you mind forwarding the address you use for copy on related matters?

Thanks!

Juan
